TAILWALKER

Tailwalker Virtual Dog Walking Challenge Terms and Conditions

By registering and participating in Tailwalker [the challenge], participants acknowledge and agree to comply with the following terms and conditions set out by The Gurkha Welfare Trust [the organiser]:

Tailwalker is open to individuals of all ages who have registered. Children (under the age of 18) must register with their parent or guardian's details. They must be accompanied by a responsible adult whilst completing the challenge.

Participants must complete the registration process, including providing accurate personal information, and ensure information is kept up to date throughout the challenge.

Participants are encouraged to actively raise funds for The Gurkha Welfare Trust, but should be mindful of their own safety and the security of any cash raised. Setting up an Enthuse page for event sponsorship reduces the risk of holding cash and enables the Trust to easily claim Gift Aid, where possible, from sponsors.

All monies raised should be paid to The Gurkha Welfare Trust by 31st May 2025. Funds can be paid in via the following methods:

Bank transfer
Please transfer funds to:

Online web payment
Please go to https://www.gwt.org.uk/support-us/raise-money-for-us/#payin to pay in your funds on the website. We ask that those fundraising for the Trust remain respectful and courteous at all times. Participants should make it clear they are fundraising in aid of The Gurkha Welfare Trust. If you require any imagery or logos, or are promoting fundraising in local press, please contact us.

Participants are required to use the tracking sheet provided or a suitable tracking platform (such as Strava) to log and submit their dog-walking activities during the challenge. The organiser reserves the right to request proof of activity before completion prizes are issued.

The event organisers reserve the right to modify, cancel, or postpone Tailwalker due to unforeseen circumstances. In such cases, participants will be notified promptly about any changes or alternatives.

The Gurkha Welfare Trust takes no responsibility for the health and safety of participants and their dogs, and all activities must be carried out at the participant's own risk. We recommend that participants have appropriate pet and/or health insurance in place.

Participants must assess the risks involved in walking on unfamiliar or challenging terrain and take appropriate precautions, such as wearing proper footwear or using safety gear. Participants must take necessary precautions during challenging weather conditions such as high temperatures or inclement weather, ensuring they and their dogs are not subjected to any undue stress or danger.

Participants are solely responsible for the well-being and safety of their dogs during the challenge. Participants must comply with local laws and regulations regarding dog ownership, control, and waste disposal. Participants should consult with their veterinarian if they have any concerns about their dog's ability to complete the challenge. Participants must consider their dog's age, fitness and health when taking part, and ensure dogs are properly cared for throughout, including providing appropriate hydration and rest breaks.

Participants must ensure their dogs do not exhibit aggressive behaviour and should consider the safety of those they may encounter throughout the challenge.
